Admission process at Charles University: Application for studies

What to do in case of a forgotten password:

Go to the "Admission" module at https://is.cuni.cz/studium/eng/prijimacky/index.php and click on the "Log in" button.

Select "Login by registration-email" as the "Login type" (even if your original password has already been transferred from your study application to the Central Authentication Service of Charles University).

At the bottom of the page, click on the "Forgotten password" button.

On the following page, enter your registration email and click on the "Send email" button.
If you enter an incorrect email, an error message will appear, and you will be prompted to enter the registration email again.

If the email is successfully sent, the following information will appear:

Wait for the email containing the password to be delivered. The email will look like this:

```
We sent you a password to log in your electronic application (or study) at the Charles University in Prague (https://h.lod.cio/stradey/index.php), as requested.
Your password is 609E2DF4189B9F41
This is an automatically generated e-mail, please do not reply.
```
Once you receive the email, click on the "Log in" button at the top of the page and enter your registration email and the newly acquired password.

After successfully logging in, you can change your assigned password.
